Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

Currently, we have two specialists that are on a Departmental Workgroup (PWDI-BET) that is set up to determine policies and best practices regarding the hiring of individuals with disabilities. However, we have recently transitioned over to USA Staffing which has built in career paths for recruitment and one identified path is for individuals with “documented disabilities”. Applicants with documented disabilities can search for positions to apply for by using this hiring path.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

Currently, we have two specialists that are on a Departmental Workgroup (PWDI-BET) that is set up to determine policies and best practices regarding the hiring of individuals with disabilities. However, we have recently transitioned over to USA Staffing which has built in career paths for recruitment and one identified path is for individuals with “documented disabilities”. Applicants with documented disabilities can search for positions to apply for by using this hiring path.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual’s application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

If an applicant applies to a position with our agency using Schedule A eligibility, the HR Specialist ensures that the applicant’s documentation is supported by the Schedule A authority as well as the requirements of 5 CFR 213.3102(u). All identified Schedule A candidates are referred on a non-competitive certificate and referred to the selecting official for consideration. Occasionally, BSEE/HRD receives Schedule A letters from applicants outside of formal recruitment efforts (e.g., posted vacancy announcements). When this occurs we route the applicant’s resume to the attention of managers who have positions available that match the candidate’s qualifications.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Answer Yes

The BSEE/HRD provides counseling and enters into discussion with hiring managers prior to each recruitment request in order to advise on alternative methods of securing a wide range of qualified candidates to fill currently vacant positions. These methods include the non-competitive consideration of qualified Schedule A candidates and disabled veteran preference candidates.
