EARN Webinar:
Organization-Wide Accessibility: Everyone Plays a Part
February 15, 2023

Featured Panelists

James Deignan
Inclusive Technology Specialist
Texthelp

James supports financial, government and health organizations on their diversity, inclusion and accessibility journey. Because of his lived experience with ADHD, he is passionate about promoting equality and creating opportunities for all. He believes in a world where difference, disability or language are no longer viewed as barriers. With over a decade of experience in the technology sector, he advises companies on tools and strategies to improve their diversity and inclusion efforts, especially in regard to disability and neurodiversity.
Naomi Tyre
Director, Workplace Accommodations and NGCare
Northrop Grumman

Director of Workplace Accommodations and NGCare for Northrop Grumman, Naomi Tyre leads the teams responsible for providing reasonable accommodations to employees across the enterprise and for managing the Employee Assistance Program and mental health and wellbeing programs and resources. Additionally, she partners with enterprise stakeholders to implement accessibility and disability inclusion initiatives across the company. Previously, Naomi directed EEO Compliance and Workplace Accommodations for Northrop Grumman. Prior to joining Northrop Grumman, Naomi was an HR Consultant for WorkPlace HR, the HR consulting company affiliated with Fortney & Scott, LLC. Naomi holds an M.A. from The University of Chicago and a B.A. from The George Washington University. She lives in Washington, D.C. with her husband and two daughters.
