

Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

The Commission uses the Office of Personnel Management’s Shared List of People with Disabilities, and the Department of Labor’s Workforce Recruitment Program Database.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

The Commission uses Schedule A and Veterans Recruitment appointments.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual’s application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

The Commission determines eligibility by reviewing the OPM’s shared roster of applicants with a disability. (1) Applicants on OPM’s shared listing have a certification attached to their online resume. The OPM certification states that the person has been certified with at least a 30% disability. The applicant’s resume is then compared to the position description to ensure that the applicant meets the standards listed under “Knowledge Required for the Position.” (2) Upon management selection of an applicant, the resume and additional paperwork is submitted to personnel for review and concurrence indicating that the applicant meets all qualification standards presented in the position description. Once personnel approve the package, the servicing personnel HR specialist may require the applicant to submit additional paperwork to them directly. The Executive Director and designated staff are notified by personnel with the approval to appoint, and at the approved grade level based on the qualification standards.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Answer Yes

Hiring managers are included in the training on hiring and retaining individuals with disabilities taken by disability program staff.

This training will be provided biennially and whenever new personnel takes on relevant duties.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

4. Please explain the factor(s) that prevented the agency from timely completing any of the planned activities.

Trigger has only recently been identified. The agency is currently identifying the relevant barrier to recruitment/hiring of PWTD, and formulating a specific plan (ex. widening use of WRP to all positions within the agency), with a goal of increasing PWTD by the 2021 reporting period. (As the 2020 reporting period is only 3 months away with no expected hires in that time, significant change within the fiscal year is impractical).

5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).

N/A

6. If the planned activities did not correct the trigger(s) and/or barrier(s), please describe how the agency intends to improve the plan for the next fiscal year.
