- | | |
|--------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWD) | Answer No |
| b. Cluster GS-11 to SES (PWD) | Answer Yes |

The rate of representation is 10.5%.

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

GSA will continue to engage executive champions by implementing a diversity and inclusion council. The council will focus on GSA’s internal policies and practices, talent recruitment and development, education and training, identifying barriers, building partnerships with rehab agencies, measuring the effectiveness of the diversity initiative process, and ensuring transparency of its operations.

Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

<https://www.gsa.gov/policy-regulations/policy/information-integrity-and-access/it-accessibilitysection-508>

2. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under the Architectural Barriers Act, including a description of how to file a complaint.

<https://www.gsa.gov/real-estate/design-construction/accessible-facility-design>

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

GSA's Office of Administrative Services provides the Center for IT Access (CITA), a centrally funded program that provides assistive technology needs assessments and expertise for all employees with disabilities as well as their management. CITA also maintains an inter-agency agreement with the Department of Defense's Computer Accommodation Program, which provides many kinds of assistive technology and related training. In addition, there are centralized funds provided by the Office of Administrative

Services (OAS) to cover these same items when CAP unable to for any reason. OAS also provides workplace modifications when needed from a centralized budget. There is no central funding for interpreters or CART services at this time, but OCR is undertaking a proposal to create an agency-level central fund for each of the separate funding streams the agency operates under. OCR’s External Programs Branch will partner with the Public Buildings Service to develop a system to assess GSA-owned, managed and leased space for accessibility purposes pursuant to applicable Federal civil rights laws. Development of this system will allow building management staff to assess their building to ensure access to persons with disabilities.

C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

29.5 days

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency’s reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

GSA’s accommodation procedure was re-written and finalized June 6, 2018. The provision of a complete data set related to accommodation this year, after enhancements to the tracking mechanism, enabled the agency to make definitive statements about timeliness and approval rates, and determine how often requests are modified or denied, and what kinds of disability categories, and products and services, are requested. Training for managers and supervisors is required every other year. Complaint files and settlement-finding data indicates that issues related to RA management exist, but last year’s complaint and findings activities indicate the issue was far less prevalent this past year.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

The PAS requirement is understood by the cohort of RACs, and OHRM coordinated with a program analyst from OCR to obtain a sample job description/PD from another agency (one that has provided PAS as RA before it was required) as an example of a PAS/administrative assistant contract person to use at GSA when the need arises, since it is typical for such persons to be hired as specialized, contract staff and to multitask for these functions. GSA has no requests for PAS at this time.

Section VII: EEO Complaint and Findings Data

A. EEO COMPLAINT DATA INVOLVING HARASSMENT

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging harassment, as compared to the governmentwide average?

Answer Yes

- 3. If the agency had one or more findings of discrimination alleging harassment based on disability status during the last fiscal year, please describe the corrective measures taken by the agency.

Three settlements for three cases; one case had disability as its only basis; two cases had disability as one basis of multiple claimed.

B. EEO COMPLAINT DATA INVOLVING REASONABLE ACCOMMODATION

- 1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging failure to provide a reasonable accommodation, as compared to the government-wide average?

Answer No

- 2. During the last fiscal year, did any complaints alleging failure to provide reasonable accommodation result in a finding of discrimination or a settlement agreement?

Answer Yes

- 3. If the agency had one or more findings of discrimination involving the failure to provide a reasonable accommodation during the last fiscal year, please describe the corrective measures taken by the agency.

One settlement for one case; disability was one basis of five claimed; complaint is one of the complaints from above with harassment allegation.

Section VIII: Identification and Removal of Barriers

Element D of MD-715 requires agencies to conduct a barrier analysis when a trigger suggests that a policy, procedure, or practice may be impeding the employment opportunities of a protected EEO group.

N/A

- 5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).

N/A
