

## Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

### Section I: Efforts to Reach Regulatory Goals

*EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government*

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- |                                |            |
|--------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWD) | Answer Yes |
| b. Cluster GS-11 to SES (PWD)  | Answer Yes |

New B4-1: The participation rates for PWD at both grade clusters, GS-1 to GS-10 and GS-11 to SES, were 11.34 percent and 8.73 percent, respectively, in FY 2019, below the 12 percent goal. (Note: SES equivalent positions in the OCC are SLPs, NB-VIII, and NB-IX.)

\*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- |                                 |            |
|---------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWTD) | Answer No  |
| b. Cluster GS-11 to SES (PWTD)  | Answer Yes |

New B4-1: The participation rate of PWTD in the GS-11 to SES cluster was 1.95 percent in FY 2019, which falls below the goal of 2 percent.

Grade Level Cluster(GS or Alternate Pay Planb)	Total	Reportable Disability		Targeted Disability	
	#	#	%	#	%
Numarical Goal	--	12%		2%	
Grades GS-1 to GS-10					
Grades GS-11 to SES					

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

Numerical goals are communicated through a variety of methods, including the agency's balanced scorecard, internal presentations and briefings, such as the annual MD-715 review, annual business unit briefings, and all special request workforce analyses and reports. The annual MD-715 summary is posted on the OCC's website.

## Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

### A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If “no”, describe the agency’s plan to improve the staffing for the upcoming year.

Answer Yes

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

Disability Program Task	# of FTE Staff By Employment Status			Responsible Official (Name, Title, Office Email)
	Full Time	Part Time	Collateral Duty	
Special Emphasis Program for PWD and PWTD	4	0	0	Joyce.Cofield@occ.treas.gc
Processing applications from PWD and PWTD	30	1	0	Edner.Escarne@occ.treas.g

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

The National Accommodation Coordinator takes annual training courses to maintain the ADA Coordinators Certification and to remain abreast of the latest reasonable accommodation (RA) regulations, case law, news, and issues. All human resources (HR) professionals are required to complete online courses related to veterans’ employment, which includes disability components. This training, provided by the Treasury Department, is mandated by Executive Order (EO) 13518. HR representatives are also required to complete annual training on the No FEAR Act, which includes a disability component. The OCC plans a more focused training

effort for all HR Specialists who are responsible for advising hiring managers regarding use of special hiring authorities. In addition, the OCC's Recruitment Skills Course for hiring managers will be updated to include additional information about special hiring authorities. The Workplace Services team receives contracting officers training for overseeing contractor performance.

## B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If "no", describe the agency's plan to ensure all aspects of the disability program have sufficient funding and other resources.

Answer Yes

## Section III: Program Deficiencies In The Disability Program

## Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency's recruitment program plan for PWD and PWTD

### A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

• Utilizes the Workforce Recruitment Program (WRP) as a source for recruiting disabled students and graduating seniors, including disabled veterans. • Maximizes the Pathways Intern Program to hire interns with targeted disabilities. • Continues efforts to outreach to Disability and Military Student offices to promote internship opportunities. • Participates in recruitment events, fairs, and conferences, e.g., Hiring Heroes, Federal Disability Workforce Consortium, Department of Labor's WRP Training, and the Treasury Department's Veteran Employment Summit at the Treasury Executive Institute to market the OCC and its job opportunities. • Continues to explore networking websites to enhance outreach efforts to individuals with disabilities. • Works with HR Specialists and selecting officials, by way of training, communication meetings, to encourage the use of special appointing authorities. Additionally, RA statements are included on all job announcements to ensure applicants with disabilities are informed of available RA. • Encourages all managers and supervisors to consider the benefits of hiring individuals with disabilities and using the Schedule A hiring authority.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

OCC positions can be filled by using Schedule A and Veterans' Appointment Authorities to non-competitively appoint PWD and PWTD and veterans with a service-connected disability rating of 30 percent or more. The OCC's primary source for Schedule A and Veteran resume searches is the use of the WRP's database and working closely with Treasury's Veteran Employment Office. OCC's Schedule A Program Manager (PM) continues to evaluate upcoming and current positions for marketing to veterans and PWD. We continue to leverage non-competitive hiring authorities and extend partnerships with veteran service organizations. The PM also received resumes via email from Schedule A applicants and forwarded them to the servicing HR Specialists, as well as alerted candidates to submit their resumes online. The PM alerted both hiring managers and HR staffing specialists on the value of hiring external disabled applicants and available resources for locating such candidates.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

When individuals apply utilizing the Schedule A hiring authority, their applications are reviewed by the servicing HR specialist who confirms that the applicants meet the qualification requirements of the announced position and have provided required proof of disability. Applicants applying under the Schedule A hiring authority who are deemed qualified are referred to the hiring manager on a Schedule A certificate of eligibility with guidance on selection procedures including the application of veterans' preference, when applicable. Managers have the option to interview and/or hire from the Schedule A certificate or to consider other candidates from other issued certificates (Merit Promotion, Non-Competitive, Veterans Recruitment Appointment, etc.). Alternatively, when individuals submit their resumes directly to the Special Placement Program Coordinator (SPPC) for vacant positions within OCC, the SPPC refers the applicant to the [www.occ.gov/careers](http://www.occ.gov/careers) website to apply for any specific job announcement for which they want consideration. They are also reminded to submit supplemental documentation that makes them eligible for a Schedule A appointment. We also inform them, via email, they must clearly state in the application that they wish to apply via Schedule A.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If "yes", describe the type(s) of training and frequency. If "no", describe the agency's plan to provide this training.

Answer Yes

• Veteran Employment Training for Federal Hiring Managers: All OCC managers, supervisors, and selected human resource professionals are required to complete online courses related to veterans' employment. This training, provided by the Treasury Department, is mandated by EO 13518 and assigned to those individuals required to take it in the Integrated Talent Management learning system. This training is provided to all newly hired managers or those who become managers and selected HR professionals throughout the year, and annually to managers, supervisors, and selected HR professionals. • Merit System Principles, Prohibited Personnel Practices, and Whistleblower Protection: This course covers the merit system principles, prohibited personnel practices, whistleblower protection, role of the Whistleblower Ombudsman and role of the Office of Special Counsel. Training offered minimally every three years. • Human Capital Fundamentals for New Managers: This training reviews the OCC's manager roles and responsibilities, providing guidance to help newly hired or promoted managers. Topics covered include competencies that are central to the manager's role and responsibilities in human capital management and HR processes that are essential to successfully performing supervisor functions (e.g., managing telework, administering leave, managing travel, and the use of hiring authorities including those that take disabilities into account). These sessions are offered two to three times a year for new managers.

**B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS**

Describe the agency's efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

• Hold periodic meetings with professional organizations to share the OCC's process for providing vacancy announcements, and sharing information about opportunities, including career development tracks. • Attend specialty conferences and career/job fairs to share information about the OCC's mission, work environment and job opportunities. • Host brown-bag lunches and roundtable discussions with organizations that assist PWD/PWTD, hiring managers/senior management, and HC.

**C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)**

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If "yes", please describe the triggers below.

a. New Hires for Permanent Workforce (PWD) Answer Yes

b. New Hires for Permanent Workforce (PWTD) Answer No

New B1: • PWD Hires: 8.70 percent vs. 12.0 percent Hiring rate for PWD was below the Section 501 goal of 12.0 percent.

The difference is less than 1 percent and not considered a trigger at this time. As attorneys (0905) and economists (0110) have limited hiring, there were not enough hires to determine if there is an actual trigger. With limited hiring there cannot be a realistic expectation that all groups (PWD and PWTD) would be hired at rates comparable to their qualification rates.

## Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

### A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

Answer Yes

In FY 2019, the OCC converted to career status two of the three Schedule A employees it hired in FY 2017; management officials are working on the conversion process for the remaining employee who became eligible at the end of the fiscal year.

2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If “yes”, describe the trigger below.

a. Voluntary Separations (PWD) Answer Yes

b. Involuntary Separations (PWD) Answer Yes

Old B14 in WA: The inclusion rate for PWD exceeded the rate of persons with no disabilities for involuntary (0.30 percent vs. 0.06 percent) and voluntary separations (10.94 percent vs. 7.77 percent).

Separations	Total #	Reportable Disabilities %	Without Reportable Disabilities %
-------------	---------	---------------------------	-----------------------------------

3. Using the inclusion rate as the benchmark, did the percentage of PWTD among voluntary and involuntary separations exceed that of persons without targeted disabilities? If “yes”, describe the trigger below.

a. Voluntary Separations (PWTD) Answer Yes

b. Involuntary Separations (PWTD) Answer No

Old B14 in WA: The inclusion rate of PWTD (12.5 percent) exceeded the rate of persons without disabilities for voluntary (7.77 percent).

Separations	Total #	Targeted Disabilities %	Without Targeted Disabilities %
-------------	---------	-------------------------	---------------------------------

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

In FY 2019, there were nine exit survey respondents with disabilities: five retired, three accepted other positions, and one resigned. A large majority (88.9 percent) indicated they would recommend the OCC/Treasury as a good place to work. Also, 77.8 percent of the respondents indicated they generally had a positive work experience, would return to work for the OCC/Treasury, and there was nothing that could have been done to prevent them from leaving the agency. Job-related stress, training opportunities, workload, and skills and capabilities (work experience) were the reasons most often cited by PWD in the FY 2019 exit surveys. This differed from

the agency-wide survey results, where job-related stress was cited most often.

## B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

<https://www.occ.gov/about/policies/accessibility.html> <https://www.helpwithmybank.gov/policies/policies-web-site.html> Instructions on how to file a complaint: <https://www.helpwithmybank.gov/policies/accessibility.html>

2. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under the Architectural Barriers Act, including a description of how to file a complaint.

<https://occ.gov/about/policies/accessibility.html> To file a complaint, go to this webpage and click on the link titled "File a Complaint." For concerns about OCC's buildings and facilities, contact: Facilities Management Office: (202) 649-7288 TTY: (800) 877-8339 (via a relay service)

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

In FY 2019, the OCC finalized and implemented the policies and procedures manual on IT Accessibility (Section 508).

## C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

7 business days or less

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency's reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

In FY 2019, 97 percent of RA requests were processed within the time frame set forth in the agency procedures. In addition, the agency provided assistive computing devices and technologies, software enhancements, and electric scooter support to assist employees with medical conditions. The OCC continued to use its dedicated accommodation room for completing confidential assessments and other types of ergonomic assessments. The OCC used an interagency agreement with the Federal Occupational Health Agency to conduct ergonomic consultation and assessments (e.g., fitness for duty) in FY 2019, and will continue to do so in FY 2020.

## D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

*Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.*

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

During FY 2018, the OCC adopted the U.S. Department of Treasury’s PAS policy and procedures, which follow the requirements established by the OPM. Training will be provided to all managers, supervisors, and selected HR professionals throughout FY 2020. In addition, the Treasury Department has procured a Treasury-wide PAS contract. This contract will allow the OCC to establish a purchase order against the Treasury-wide base contract. The OCC is currently working with the procurement office to set up our blanket purchase agreement with Treasury.

## Section VIII: Identification and Removal of Barriers

*Element D of MD-715 requires agencies to conduct a barrier analysis when a trigger suggests that a policy, procedure, or practice may be impeding the employment opportunities of a protected EEO group.*

1. Has the agency identified any barriers (policies, procedures, and/or practices) that affect employment opportunities for PWD and/or PWTD?

Answer Yes

2. Has the agency established a plan to correct the barrier(s) involving PWD and/or PWTD?

Fiscal Year	Accomplishments			
2019	<p>Between FY 2015 and FY 2019, PWD in mission-critical/major occupations (MCO)—bank examiners, attorneys, economists, and IT specialists—participated (6.1 percent) below the EEOC goal of 12.0 percent. In FY 2019, 37.5 percent of the OCC hires with disabilities were in MCO, representing three bank examiners. There are limited hiring opportunities in the attorney and economist occupations. In addition, the OCC maintained its staffing priorities, resulting in fewer external hires in FY 2019, and it continued its focused effort on development and retention of the current workforce.</p> <p>Separations of PWD in MCO (7.5 percent) between FY 2015 and FY 2019 on average were above their workforce participation rate (6.1 percent). 4. Please explain the factor(s) that prevented the agency from timely completing any of the planned activities.

Refresher training and an in-house information session are planned for the second/third quarter FY 2020.

5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).

Participation rates for PWD have gradually increased over the last five years, from 5.6 percent in FY 2015 to 9.1 percent in FY 2019. Applicant flow rates for PWD in the agency’s Entry-Level Examiner Program increased from 1.7 percent in FY 2015 to 2.1 percent in FY 2019. Applicant flow in FY 2019 (2.1 percent), resulted in a 3.6 percent external hiring rate of PWD. The OCC retained 68.4 percent of its non-competitive Schedule A hires from FY 2015 and FY 2019, and converted 70.6 percent of its eligible Schedule A hires since FY 2015. The SF-256 Resurvey Campaign in FY 2019 resulted in an increased participation rate of PWD in the workforce from 8.8 percent (334) to 9.0 percent (343).

6. If the planned activities did not correct the trigger(s) and/or barrier(s), please describe how the agency intends to improve the plan for the next fiscal year.

The OCC changed the focus of its barrier plan to concentrate on its MCO, and added activities that support these occupations. Planned activities are being executed, monitored, and evaluated.
